

WINDOW STAND

PROFESSIONAL DISPLAY SUPPORT

MODEL NAME

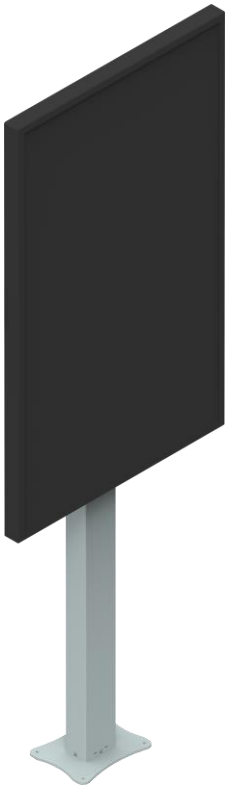

WINDOW STAND

WINDOW STAND is a perfect solution for public areas like shops, mall's and shopping windows.

It's developed with the concept of modularity. Ideal for front window applications. The main column can be combined with a base to be fixed to the floor, or a self-supporting base. The screen can be in landscape or portrait version. For an aesthetically perfect solution, a monitor enclosure can be added.

MAIN FEATURES

Max VESA: 600x400 (for screen in Landscape mode)
Max VESA: 400x600 (for screen in Portrait mode)
Black painted iron (RAL9005)
