

MOD-ATD-W

## Trim Disc

### For Modular Series Flat Panel Display and Projector Mounts

The Peerless-AV Modular Mounts Line features a full range of products that can fulfill multiple requirements from a limited number of SKUs. With the universality of the components, configure your own perfect custom flat-panel display or projector mounting solution for any application.

The Modular Mount Line was developed with the professional AV installer in mind. Designed around a 2" (50mm) diameter pole, the line is ideal for new projects as well as for upgrading existing installations.

The MOD-ATD-W Trim Disc serves as a solution for covering the hole cut in the suspended ceiling, to create a smooth transition from the ceiling to the pole and enhance installation aesthetics.

#### FEATURES

- Covers the hole around the 2" (50mm) pole in a suspended ceiling, creating a smooth transition
