Modular Series Dual-Pole Single Display Mount

FOR 46" TO 90" DISPLAYS

The Peerless-AV Modular Mounts Line offers a range of products to fulfill multiple requirements with a limited number of components. The universality of the components allows you to configure your perfect custom flat-panel display or projector mounting solution for any application. The Modular Mount Line was developed with the professional AV installer in mind. Designed around a 2" (50mm) diameter pole, the line is ideal for new projects as well as for upgrading any existing installations.

The MOD-FPMS2's tilt box is the perfect solution when mounting displays with Peerless-AV's Modular Series Line mounts.
