Extension Poles

For Modular Series Flat Panel Display and Projector Mounts

The Peerless-AV Modular Mounts Line features a full range of products that can fulfill multiple requirements from a limited number of SKUs. With the universality of the components, configure your own perfect custom flat-panel display or projector mounting solution for any application.

The Modular Mount Line was developed with the professional AV installer in mind. Designed around a 2" (50mm) diameter pole, the line is ideal for new projects as well as for upgrading existing installations.

The MOD-P100/150/200/250 Extension Poles are designed for use with the Peerless-AV Modular Series Mounts. They offer perfect solution for tailoring each unique installation with custom cut-to-length poles.

FEATURES

- 2" (50mm) diameter pole
- Cuttable to desired length
- Black or polished chrome
